

Alabama Chapter

Message

Excitement is in the air. In November 2011, the Pioneers celebrate 100 years of service. The more than 325,000 current and retired AT&T employees are energized and committed to continuing their proud heritage of helping their communities to become a better place in which to live and work. We are committed to the diversity and personal growth of our members, the success of AT&T and serving those around us for the next 100 years. We'd like to recognize and celebrate the achievements of all past and present AT&T Pioneers. Your motivation is an inspiration to us all! We are also proud that AT&T has received the *Ladies Home Journal* "Do Good" stamp, April 2010, in honor of our commitment to giving back to the community and making a difference with strong employee volunteerism — as well as our innovative and results-oriented corporate and philanthropic initiatives, due in part to our great Pioneer efforts.

Mission

We are a network of volunteers who effect immediate, tangible change in local communities, in partnership with AT&T.
