

## Council and Chapter Logo Usage

Pioneers councils and chapters can associate their names with the Pioneer and Sponsor Company logos as outlined in the examples on the right.

The Chapter name is centered and set in Verdana Regular. Maximum type height is not taller than two third of "x" height. The type height is no smaller than the height of the tag line. The distance between the cap height of the Chapter name and the base line of the tag line is one "x". The Chapter name must not exceed the width of the Sponsor and Pioneers logo.
